

THE CHARM OF MUSIC

What more rapturous than to hear some popular air exquisitely played

Good instruments are not expensive They may appear so. When the qualliy and life of a Piano at \$250.60 is compared with one at \$400.00 that costing the most is found to be the cheapest. We charge less for what is good than others charge for what is poor.

TEXTILE CLASS OF NIGHT

As Guests of College, 150 An derson Man Will Inspect Insti-

tution On May 16

Through Prof. C. S. Doggett, hand of the textile department of Clemson college, F. M. Sarahit resterning to ceived an invitation to bring the chitire textile class of his night school to the college for a day's outing and to inspect the textile department of the college. It has already been decided that the invitation will be accepted.

In his letter Prof. Doggett says he appreciates the spisadid work being done by the / Tarson class and compliments Mr. Burnett on being rule to awaken such enthus says of the mill workern of the cu./ His says that he being/or the trip to Clomson college will be valuable to all those in the party and urses Mr. Burnett to include the entire class if possible.

If is planned to severa shoul be automobiles tand includes in the party all told, about 150 men. This will consist of the students in the night school said olso the presidents of the various nulls of Anderson and the superintendent from each mill.

It is planned to leave Anderson at 1 o'clock on the afternoon of any 16, reaching the college in this for an inspection of the textile department. Following that the entire party will remease as the guests of the heaffulformant and and stays and the superintents are afternoon of the textile department. In his letter Prof. Doggett says he

the Anderson visitors will be enter-ard after the concluding of the game tained at tes. Every moment of the after has already been worked out by the Clemson public and they prom-ise every one making the trip is repail good time.

Mr. Burnett said lest night that he appreciated the institction were even.

and Burnett said last night that he appreciated the invitation very much indeed and that every man making up the various classes appreciated if. He looks for a big crowd to make the trip and says that he can promise an afternoon of criovinent to every one of those composing the party.
